

MEMORANDUM FOR THE DIRECTOR FOR USE AT SWNCC MEETING WEDNESDAY 16 OCTOBER 1946
at 2:30 P.M.

The original directive to the Director of Central Intelligence states in para 2: -

"The Central Intelligence Group will furnish strategic and national policy intelligence to the President and the State, War, and Navy departments, and, as appropriate, to the State-War-Navy Coordinating Committee, the Joint Chiefs of Staff, and other governmental departments and agencies having strategic and policy functions related to the national security."

The inevitable problems of organization of any new undertaking have made it impossible at an earlier date to inquire of SWNCC as to what strategic and national policy intelligence it considers would be "appropriate" for the Central Intelligence Group to furnish to SWNCC, and how it wants it.

The plan contained in SWNCC paper 330 is only a suggestion by CIG as to the way this might be done.
